Important Information for Guests

Pair Treatments

Our salon is operated by one main therapist, in collaboration with experienced partner therapists.

For pair treatments, reservations are accepted first as tentative bookings. We will confirm once our therapists' schedules are arranged.

The following courses can be performed by one therapist, so if time slots are available, same-day pair sessions are possible:

Hamмам Bath & Aroma
Hamмам Bath & Head
Hamмам Bath & Facial

For Aroma Treatments, Facials, or any courses requiring two therapists, we kindly ask that you book at least from the day before, and preferably one week in advance.

Thank you for your kind understanding.

Cancellation Policy

If you need to cancel, please notify us by 3:00 pm, two days before your appointment.

Cancellations made after this time will incur the full treatment fee as a cancellation charge.

As we reserve the treatment space exclusively for each guest, we sincerely appreciate your cooperation and understanding.
